THW BAN ALL BEAUTY PAGEANTS

Government

Beauty pageants increase the criteria of being beautiful of a women. Why? Because the type in a beauty pageant should have a slim body, beautiful long hair, their own type of the tall, beautiful nose, eyes, and also beautiful face without any pimple. When a girl can not fill that type, they will feel insecure. What is insecure? Insecure is like an act someone can not accept what they are. When a woman feel their insecurities they will try to do anything that can get their goal to be an ideal beauty woman. And we never know how is the way they do to get it. Some of women will feel insecure while they are walking with their friend who are more closer to the criteria of beautiful women. And sometimes it changes their mind about the level of beautiful woman. The example is when a woman see that a beautiful woman is come from their curly hair, but when they meet a woman who has a straight, black, and long hair, they will started to put the level of beauty in the level of a girl who has a straight, black, and long hair. That is why our house should ban all the beauty pageants because of increasing the beautiful type of woman.

Opposition

Beauty pageant help women to put more care to their own body and improve theirselves. Why? Because when a women see that beauty pageant they will start to put more effort or care to their own body or healthy for themselves. They will try to be more take care of their healthy. Beauty pageants are not only talking about beautiful, but they are also talking about their knowledge, that is why become a beautiful woman is not talking about beautiful face but also have a good knowledge. When women can feel the way that take care of their body is important, they will start to improve their own self become more better. The example is when a woman who is never take a bath but after watching a beauty pageants she will start to change her mindset to always take a bath which is the one of improvement to become more better. That is why our house should not ban beauty pageant to help all women to improve theirselves
